

STRENGTHENING & PLANTING

DANNY JACK *Ministries*

April-June 2024

Dear Friends and Supporters of Danny Jack Ministries:

Greetings in the name that is above every name. We have been seeing some nice weather in New Brunswick and are looking forward to a busy summer serving the Lord. We are grateful for the safety and provision God has given in travel. It has been a blessing to see God at work in meetings and for the privilege to be used of God in wonderful ways.

Since our last prayer letter, I have preached revival meetings as well as have done pulpit supply. We are grateful that one of the churches we have been helping has found a pastor. Please pray for them as they settle in ministry there. There are still two or three churches in our area that we are helping that are in need of a pastor. Pray with us for the man of God's choosing for these churches.

This summer finds us in a busy schedule, some weeks busier than others. The week of July 7, I have a very heavy preaching schedule between camp and a couple of churches. Pray for the hand of God on the meetings. Pray for the filling of the Holy Spirit on the preacher and an openness to the working of God in the hearers. Pray that my voice stays strong through the week. I will also be at home for a bit filling in for our pastor while he takes his vacation.

We have been seeking the face of God regarding a cross Canada preaching tour. I have meetings booked in July of 2025 in Alberta and we are planning around these meetings. How long we are gone on the road will be completely dependent on how many meetings are booked. We are praying that God would lead us each step of the way. If you would like to book me while we are on this trip, my contact information is on the lower right corner of this letter as well as our website that tells you more about our ministry.

In conclusion, let me say, *"I thank my God upon every remembrance of you," (Philippians 1:3)*. Thank you to the churches and individuals that financially partner with us and AOBBC to do what God has called us to do. Thank you to those who faithfully partner with us in your prayers to God for us. Together, we have this ministry. It is our desire to see fruit that remains on your account for your eternal investment. May God bless you for your faithfulness to Him and His work!
