

STRENGTHENING & PLANTING

DANNY JACK *Ministries*

September-October 2024

*"Not unto us, O Lord, not unto us, but unto thy name give glory, for thy mercy, and for thy truth's sake."
Psalm 115:1*

What a beautiful fall the Lord has given to us. My wife and I have certainly enjoyed the beauty of God's creation lately as we have done much travel. We rejoice in the safety He has given to us. What a glorious privilege to serve the Lord and to see Him at work!

September began with us traveling down to Elkton, MD for the camp meeting at Maranatha Baptist Church. It was a blessing to be with my dear friend, Pastor Jamey Grooms, and his church once again. The camp meeting was a huge blessing to us. We rejoice in how the Lord worked in each of the services with several people at the altar each night. On the way home, we had the privilege of being at Calvary Baptist Church of Sanford, ME for a Sunday. Once again, it was a day with seeing God at work in both services.

Since we have got back in the Maritimes, I have preached three more four-day revival meetings. There has been a fantastic spirit in each of the meetings. What a blessing to preach in churches that are prayed up about the meetings and excited to see how God is going to work. We praise God for each Christian who made decisions for Christ though these last couple of months and for those who have been rescued from the clutches of hell.

Looking ahead to next year, God has filled our winter and spring schedule very quickly. I am very limited in what I have available before we leave for our cross Canada preaching tour in mid-May. We still have a few openings through the summer months as we travel across Canada. For those reading this, we would love to stop and minister at your church if possible. Please contact me as soon as possible to discuss availability. Thank you to those who have given toward the motorhome project. We have seen 36% of the funds needed come in during the last three months. If you would like to give toward this project, e-transfers can be sent to dmejack@yahoo.ca or cheques to the bottom right address on this letter. Pray also for funds for the ministry as they have been lower coming out of summer and into fall. Pray that we will see an increase so that we can finish this year strong.

We want to thank each one who partners with us and with our sending church in this ministry of encouraging churches, equipping and exhorting believers, and evangelizing the lost. Our continual prayer is for fruit that remains on your account. Thank you for your continued prayers for us. We thank our God for each of you.
