

Dear Larry & Darlene,

Gorgeous, beautiful, spectacular...if you live in Northeastern North America, you've probably heard those words and even said them yourself as you've viewed the autumn colors. What an amazing Creator God! And, of course, He also does amazing things as His Word is shared with unbelievers.

The blog quotes an article from the September Scripture Union Global Communication...about VOICE ministry in a South Sudan school! Read, enjoy and be encouraged to continue to pray. God is at work even in war-torn nations. You'll also find plenty of pictures and praise and prayer updates. THANKS so much for lifting up these ministries to the Lord of the Harvest. One never knows what He is doing!

If we can pray with you about a specific need, please let us know.

If you would like me to send you a couple short videos of VOICE ministry in Africa, as well as another "only in Africa" video, let me know.

Praising our great God,
Ruth (and for Laura)
