

I am going to try something new and try my best to send our weekly prayer requests on our page for that week. I have decided to send them through our email as well for those who are not on our Facebook page. This is just for the purpose of weekly updates in between our prayer letters.

1. Tomorrow we are going to be driving through some snow five hours to where I am preaching on Sunday. (Update: We praise God for safety through this part. We are planning on driving home Sunday night and will get to have supper Monday night with our whole family. Pray for safety as we travel.

2. Sunday I will be preaching at New Testament Baptist Church on Cape Sable Island. Pray for the presence and power of God in our services. Pray that God can use me as His messenger.

3. Next week, on Thursday and Sunday I will be preaching at Roseway Baptist Church in Shelburne, NS. Pray that we can be a blessing and that God will be at work.

4. This week I got a letter from the province of NB. They did not like what we were able to purchase our fifth wheel for last fall. They are claiming it is worth \$10,000 more and requiring us to pay the tax on the difference. This came as a surprise to us but not to God. He knows and we know that He will meet the need.

5. Pray for all that is going on in Canada with Bill C-9.
