

Dear Partners in Prayer,

March. 9, 2026

“But sanctify the Lord God in your hearts: and *be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear:*” 1 Peter 3:15

Praise the Lord for faithful prayer warriors and financial supporters. We have witnessed the goodness of our God and answered prayers. Average attendance at Froude Bible club has been seven children despite various cancellations. One little girl was full of questions on the Passover. At another weekly club, a child asked, “Why did Jesus have to die?” God is at work, drawing these little ones to Him. Thank you for your continued prayers for attentive hearts to the Word of God.

Once again, we have the amazing opportunity to present to seniors in various residences and one school K - grade 6. This is a special time of singing great hymns of the faith with them, sharing a puppet and this year, opening eggs from an Easter tree to unravel the Gospel story.

April 7th is our annual Easter Rally Day which takes place at First Baptist Academy from 9 am -4 pm for children 5 -12 years of age. This event gives us the opportunity to reconnect with our summer Day campers and meet fresh faces in the community. Pray for good promotion, volunteers to help with the event, safety and that the Gospel would change young lives.

We are currently scheduling churches for Vacation Bible School in August. Pray for God’s leading to communities where churches need assistance in outreach.

Thank you for your prayers for Lori’s mom, Molly. God has been so good in granting her great doctors who are active in her continued care.

Please be in prayer for the summer season ahead: for direction for the Camp Ministry Board, for needed summer missionaries and leaders in training, and for preparation for the Day Camp/VBS program.

We are grateful to be part of this ministry with you, and we are excited as we make ready for another season of seedtime and harvest. To God be the glory.

Because HE Lives!
